

THE 7 C'S OF SEPARATION

A seven-step discipline for closing a season cleanly.

SEQUENCE, NOT MENU – each step builds on the last

PREPARE

do the work before the room

1

Center yourself.

Remove the resentment before you walk in.

2

Confirm the decision.

Decided before the room. Not during it.

DELIVER

say it clearly, stay human

3

Communicate clearly and quickly.

Don't bury the lead. Get there fast. Stop.

4

Commend without confusion.

Honor the person without reopening the decision.

CLOSE

end it with finality

5

Clarify the practicals.

Every practical settled before you leave the room.

6

Consider the family.

Name the weight. Don't create false hope.

7

Close with finality.

Grief without chaos. Clarity without cruelty.

CLARITY IS KINDER THAN CONFUSION.
