

Working With Pastor Scott Wilson

A user manual – how I think, lead, and process life so we can work as one team.

THE FOUNDATION

Values I Live By

PEOPLE MATTER

*People over programs. Love is the highest value.
Add value to everyone, every day.*

SPIRIT LED

*Pray, listen, obey the Father. His agenda, not
people-pleasing or opinion.*

ONE TEAM

*Unity is essential. Attitudes and division go
immediately. No bad attitudes on payroll.*

HONESTY POLICY

*Zero tolerance for gossip. Speak truth in love –
to the right person, the right way, even the last
10%.*

OWN YOUR ZONE

*Be a thermostat, not a thermometer. Bring your
own battery. Be a host, not a spectator.*

D.I.R.T.

*Don't Ignore Relational Tension. Clean it up now
before it grows 10x next week.*

THE SCOREBOARD

How I Define Success

- *Walking in alignment with God's will – success is obedience.*
- *When those closest to me love and respect me most – family, staff, board, friends.*
- *Raising up successors – my success is defined by what my sons and daughters do after me.*
- *Discovering gifts and passion in people and empowering them for eternal value.*
- *Doing our #1 job: make disciples – saved, discipled, serving and loving at a high level.*

How I Like Things Done

- *When I ask you to do something, say "YES!" If you can't fit it all, say "yes, but – which first?" and let me set priority.*
 - *Be a Door Closer. Take the assignment and the emotional weight that goes with it.*
 - *Text me: "I got it – I'll have ___ done by ___."*
 - *Text me when it's done: "Pastor, just letting you know – ___ is done."*
 - *Excellence and on time. Exceed expectations – but only after the first mile is complete.*
-

IDEAS ARE SEEDS

How To Pitch Me An Idea

Plant them in good soil, in the right season – or they won't bear fruit.

GOOD SOIL

- *Be good at your job – I won't hear ideas from someone not succeeding in their role.*
- *Be good on the team – play well with others first.*
- *Be humble – arrogance closes my ears.*

RIGHT SEASON

- *Talk to your direct report first.*
 - *Email me the highlights + the difference it makes.*
 - *If I bite: bring it in bullet points – problem or opportunity, cost in money/time/people, and the ROI.*
-

GROWTH PATH

Who I Promote

- *Faithful – excellence and consistency.*
- *Great attitude – you light up the room.*
- *Add value – people like you, up and down.*
- *Gifted – you make things grow.*
- *Character – love God, show up on time, get it done.*
- *Make disciples – this may be the biggest. I promote multipliers, not bottlenecks.*
- *When the time is right – promotion is where preparation meets opportunity.*

WHEN IT GOES WRONG

What To Do When You Make A Mistake

- 1 Own it – no blame, no excuses.
 - 2 Confess it – the whole story upfront, not in pieces.
 - 3 Repent of it – show me you understand and how you'll fix it.
 - 4 Fix it – do what's needed to make it right with people.
 - 5 Don't repeat it – learn once; don't make it a habit.
-

REACH ME RIGHT

How I Communicate

I respond within 24 hours or sooner – I expect the same from you.

EMAIL

*Information, not conversation. Bullet points: what's good, your struggle, ministry update.
Short. Never harsh.*

APPOINTMENTS

Only after your direct report clears it. "Urgent" means bad – don't leave me hanging emotionally.

PHONE

For something fun, a celebration, or an emergency.

TEXT

Always welcome – brief, immediate, gets it done.

TWO THINGS TO KNOW

What Frustrates Me & What I Love

FRUSTRATES ME

- *Gossip – build people up, don't tear them down.*
- *Surprises – if I need to know it, I'd rather know now.*
- *Vampires – I have no time for bad attitudes.*

A FEW MORE THINGS

- *Love languages: words of affirmation & physical touch.*
- *Golf, CrossFit, and home is my favorite place.*
- *Honor Jenni – her birthday is April 15.
Tiny dog: Hazel.*

**Be a thermostat, not a thermometer.
Own your zone. Close the door.**
